

## INTERVIEW QUESTIONS

The following questions are often asked during interviews for a French immersion position.

- 
1. How do you use formative assessment in the classroom?
  2. How do you plan a unit of study?
  3. What is your understanding of French immersion in Canada?
  4. What two strategies did you learn from your internship and how do you plan to use them in your teaching?
  5. How do you handle discipline issues in the classroom?
  6. How do you capture and maintain the attention of your students?
  7. How do you encourage positive and constructive parent involvement?
  8. How have you used technology to enhance your teaching?
  9. How do you evaluate the effectiveness of your lessons?
  10. What is the optimal design for an elementary/secondary classroom?
  11. What motivates you to teach in the immersion classroom?
  12. What are your strengths that make you a successful elementary teacher?
